Sharon,

Thanks for the update. I look forward to hearing from you & getting the PRP Group back together soon. I do hope you are feeling better. At least starting off with lousy, the rest of the year will be up from here!

Hi David,

Sorry I didn't get back to you. I was out of the office sick last week and still feeling rather lousy. There is nothing new to report on New Cassel. We are getting closer but don't have anything to report as of now.

I hope you had a very merry Christmas and a lovely New Year! Talk to you when I have more to say.  
Sharon
